YUMING REN

LL.M. in Commercial Law | Legal Research & Regulatory Analysis | Law, Philosophy & AI

Chinese (Native) | English (C1) | yuming@renyuming.com | +86 19957916417

PROFESSIONAL SUMMARY

LL.M. in Commercial Law from the University of Bristol, with dual undergraduate degrees in Law and Philosophy. Experienced in legal research, regulatory analysis, and commercial legal matters, including corporate, advertising, trademark, franchise, ESG, and pre-IPO work. Strong ability to interpret complex legal and regulatory materials, assess source reliability, and translate complex issues into clear, precise, and logically structured legal analysis in Chinese and English.

RELEVANT EXPERIENCE

Founder — Policy Brain | 2025–Present

- Developing an AI-assisted policy research system for traceable legal and regulatory research, with structured source, evidence, and reasoning records.
- Researching government policies, regulations, and administrative documents and verifying claims against authoritative sources.
- Designing source-grounded research workflows and quality-control processes to identify unsupported, incomplete, or inconsistent claims.
- Applying structured methods to document extraction, evidence review, and knowledge organization.

Legal Counsel — Taizhou, Jiangsu | Sep 2024–June 2026

- Conducted legal, regulatory, and policy research and synthesized authoritative materials into structured written analysis.
- Reviewed complex Chinese legal and regulatory documents, identifying inconsistencies, ambiguities, unsupported assertions, and compliance issues.
- Compared statutes, regulations, policies, and administrative materials to verify factual and legal accuracy.
- Produced precise written analysis under detailed requirements, with strong attention to terminology, source authority, logical consistency, and factual detail.

Legal Consultant — Mixue Bingcheng Co., Ltd. | Jun 2024–Sep 2024

- Conducted legal and regulatory research relating to commercial operations, advertising, trademark compliance, and franchise matters.
- Reviewed and edited commercial and legal materials for accuracy, consistency, and compliance.
- Coordinated with external counsel on IPO-related legal work during the company's pre-listing period and on ESG-related work.
- Translated complex legal and regulatory requirements into clear written analysis for internal use.
